2027 Employee Benefits Guide

2027 Benefits Guide

Benefit Election for Plan Year January 1, 2027 – December 31, 2027

Employee Benefits **(925) 655-2100** **benefits@hrd.cccounty.us**

We are pleased to announce the beginning of the 2027 Benefits Open Enrollment for eligible employees of Contra Costa County.

Open Enrollment will begin at **8:00 AM on Monday, October 12, 2026, and end at 5:00 PM on Friday, October 30, 2026.** The Open Enrollment Guide and 2027 rate sheets are available online at:

https://www.contracosta.ca.gov/6268/2027-NonPERS-Active-Open-Enrollment

As a reminder, benefits enrollment will be completed online, through our PeopleSoft eBenefits system. Here are the PeopleSoft Employee Self Service (ESS) login instructions:

- On a web browser, enter **https://selfservice2.cccounty.us** in the address bar.
- Enter your User ID - This is your 5-digit employee ID number. (Do not enter a prefix of "CCC")
- Enter your Password – If you have not logged into ESS your new password is made up of your 4-digit birth year + the last 4 digits of your Social Security number.
  Example: User ID = 12345 (numeric only - 5-digits), Password = 19651234 (no spaces)
- If you forgot your password, use the "Forgot your Password?" feature. A temporary password will be emailed to you.

Plan Changes for 2027:

Kaiser Permanente

- For Plan Year 2027, Kaiser Plan A, Teamsters 856 Trust Plan, and the High-Deductible Health Plan monthly rates are at zero cost to employees for all 3-Tiers. This applies to the 2027 Plan Year.

Kaiser High-Deductible Health Plan only

- Calendar year deductible has increased to $1,750 (employee-only enrollment), $3,500 (family enrollment). Max Calendar out-of-pocket expense limit has increased to $3,500 (employee-only enrollment), $3,500 (each member of a family), and $7,000 (family enrollment)

If you are a participant in the Health Savings Account (HSA), (only available through Kaiser High-Deductible Health Plan), make sure to adjust your annual pledge for 2027.

Health Net Plans

Health Net has advised that they are discontinuing coverage for group health plans in California which impacts the County plans.

- The County has confirmed with Health Net that employees may enroll in Health Net plans during 2027 Open Enrollment for benefit coverage effective January 1, 2027 through December 31, 2027.

The County will be working diligently to determine options available for the 2028 Plan year.

FSA – Health Care Spending Account (HCSA) and/or Dependent Care Assistance Program (DCAP)

Reminder: You must re-enroll in the FSA Health Care Spending and/or Dependent Care Account each year. The Health Care Spending annual limit is $3,400 and Dependent Care annual limit is $7,500.

Elections made during this Open Enrollment period are effective January 1, 2027 through December 31, 2027.

- Premiums in 2027 experienced significant increases. **Please review rate changes to your current plan even if you are not making any changes.**
- **If you do not wish to make any changes to your current medical, dental or vision plans or those who are covered, your enrollments will remain the same.**
- If you are changing plans, adding or deleting dependents, or participating in the HCSA or DCAP, you will need to complete the online enrollment process and provide the required documentation during the Open Enrollment period of October 12, 2026 through October 30, 2026. Because federal regulations require our health plans to report the social security number for the members as well as the member's dependents for the IRS 1095 forms, you will be required to provide a social security number for newly enrolled dependents.

If you need assistance completing the online enrollment, computer kiosks are available in the lobby of the Human Resources Benefits Division on the 2nd floor of the County Administration Building at 1025 Escobar Street in Martinez.

As always, should you have any questions, please contact the Human Resources Department, Employee Benefits Services at: **(925) 655-2100** or send questions to **Benefits@hrd.cccounty.us**.

Open Enrollment Period

During this period, eligible employees may:

- Enroll in a medical and dental plan, if you are eligible and you currently do not have medical or dental benefits
- Change your medical or dental plan
- Add or drop eligible dependent's medical or dental coverage
- Enroll in the 2027 Health Care Spending Account Plan
- Enroll in the 2027 Dependent Care Assistance Program

Additionally, it is a good time to:

- Review or amend your life insurance beneficiary
- Add or increase supplemental life insurance, if eligible and subject to completion, submission and approval of Evidence of Insurability
- Review your deferred compensation plan deferrals, investment options and beneficiaries

When Enrolling In Plans, Remember:

- Premiums are deducted from your paycheck on the 10th of each month. If you do not have enough money in your paycheck for the full deduction, a partial deduction will not be taken. It is your responsibility to pay the full monthly premium due in the form of a check payable to Contra Costa County by the 10th of the month, the same as if the amount was deducted from your paycheck.
- Medical, dental, vision, health care spending account and dependent care assistance programs elected during open enrollment will be effective January 1, 2027 through December 31, 2027. If you do not make any changes during the open enrollment period, your current medical, dental and vision plan elections as well as your current premium conversion plan election will remain in effect for calendar year 2027.
- **The Health Care Spending Account and Dependent Care Assistance Program require re-enrollment every Plan Year.**
- Employees who add their spouse, domestic partner and /or dependent child(ren) on their medical or dental plan must upload documentation verifying dependent eligibility.

Eligibility

Management, Exempt and Unrepresented Employees -

Employees regularly scheduled to work at least 20 hours per week are eligible to participate in the Medical, Dental, Vision and Life Insurance programs as well as Health Care Spending Account, Dependent Care Assistance Program, premium conversion plan and the deferred compensation plan. Employees regularly scheduled to work less than 20 hours per week, intermittently or on a provisional basis may be eligible to participate in the medical, dental, and life; however, these employees are required to pay the total monthly premium without a County subsidy.

Represented Employees -

Eligibility to participate in the Employee Benefit Programs is defined in each Memorandum of Understanding (MOU). Generally speaking, employees regularly scheduled to work at least 20 hours per week are eligible to participate in the medical, dental, vision and life insurance programs as well as health care spending account, dependent care assistance program, premium conversion plan and the deferred compensation plan. Employees regularly scheduled to work less than 20 hours per week, intermittently or on a provisional basis may be eligible to participate in the medical, dental, life and premium conversion plans; however, these employees are required to pay the total monthly premium without a County subsidy. Represented employees should review their specific MOU for further clarification of eligibility, as the hour requirement may vary based on the MOU.

Dependent Eligibility – Medical Insurance Only

The following dependents of an enrolled employee are eligible for medical insurance:

- Legal Spouse
- Qualified domestic partner (requires the completion and submitting of certification forms)
- Child to age 26
- Disabled child beyond age 26 who is unmarried, incapable of sustaining employment due to a physical or mental handicap that existed prior to the child's attainment of age 19. The disabled adult dependent must meet the disabled dependent requirements as defined by the health insurance carrier.

The Patient Protection and Affordable Care Act as amended by the Health Care and Education Affordability Act of 2010 requires that the County include as eligible dependents adult children until they reach age 26. The Act does not require the County to extend coverage to an employee's grandchildren or to the spouse of the employee's child.

Dependent Eligibility – DeltaCare USA (HMO) – Voluntary Vision

The following dependents of an enrolled employee are eligible for DeltaCare (HMO) insurance:

- Legal Spouse
- Qualified domestic partner (requires the completing and submitting of certification forms)
- Child to age 26
- Disabled child beyond age 26 who is unmarried, incapable of sustaining employment due to a physical or mental handicap that existed prior to the child's attainment of age 19. The disabled adult dependent must meet the disabled dependent requirements as defined by the health insurance carrier.

Dependent Eligibility – Delta Dental Insurance Only (PPO) – Voya Supplemental Life

The following dependents of an enrolled employee are eligible for dental and supplemental life coverage:

- Legal Spouse
- Qualified domestic partner (qualified domestic partner enrollment requires the completion and submission of certification forms that are available in the Employee Benefits Services Unit or online)
- Unmarried children who are dependent on you, your spouse or qualified domestic partner for support who are
  - ✓ Under age 19;
  - ✓ Age 19 to age 24, who are full-time students, dependent upon you for at least 50% of their support, unmarried and living with you (except when away at school).
  - ✓ Disabled child who is over age 19, unmarried, incapable of sustaining employment due to a physical or mental handicap that existed prior to the child's attainment of age 19 and is your dependent as defined by the Internal Revenue Service

Dependent Eligibility Verification Process

All employees adding dependents must submit documentation verifying eligibility of their covered dependents.

The following chart is a guide for which forms and documents must be submitted. The chart does not include all possibilities and should be used in conjunction with the Dependent Eligibility Documentation listed on the Employee Benefits website.

For further clarification, please contact the Employee Benefits Services Unit at (925) 655-2100.

For other dependent verification requirements, please refer to the Dependent Eligibility Documentation on the Employee Benefits website.

IRS Section 125 Compliance

In compliance with Section 125 of the Internal Revenue Code (IRC), medical, dental, vision or spending account benefit elections may be changed during the plan year only if you have a qualified life status change event, such as:

- A change in your legal marital status, including marriage, divorce, death of your spouse or domestic partner, legal separation or annulment;
- A change in the number of your tax dependents through birth, adoption, placement for adoption, or death;
- Your dependent's ability to satisfy dependent eligibility requirements;
- Termination or commencement of employment of a spouse, domestic partner or eligible dependent;
- A change in work schedule, such as a reduction or increase in hours by your spouse, domestic partner or eligible dependent.
- The taking of an unpaid leave of absence by either you or your spouse;
- A significant change in your or your spouse's coverage that is attributable to the spouse's employment.
- A change in residence or work site by you, your spouse, domestic partner or dependents that causes you to lose access to providers in your HMO plan's network.
- A change in your dependent care provider that increases the cost of dependent care.
- A change as the result of the enrollment or disenrollment of an employee, spouse or dependent for either Part A or Part B of Title XVIII of the Social Security Act (Medicare) or under Title XIX of the Social Security Act (Medicaid).

Both the revoking of a benefit and the new benefit election must be due to and consistent with the qualified life status change event. A benefit election change is considered to be consistent with a qualified life status change event only if the election is necessary or appropriate as a result of the change. Family status changes must be completed and approved within 30 days of the qualifying event date. The effective date of change will be either the first of the month after the event or the first of the month after a 30-day enrollment period (depending on the type of qualifying event). If you don't go online and complete the necessary information (including uploading appropriate documentation) within 30 days of the qualifying event you will not be able to add a dependent or make any other changes until the next open enrollment period, with benefits effective on the January 1 following that open enrollment period. Contact the Employee Benefits Services Unit if you have any questions or need assistance.

Open Enrollment. An employee may revoke his/her elections and make new elections with respect to the remainder of the Plan Year if the employee's spouse, domestic partner or dependent child has an open enrollment for a plan with a period of coverage that has an effective date other than January 1 through December 31. No change to the employee's health care spending account election is permitted as a result of this change. An employee must elect such change within ten (10) business days of the effective date of the employee's spouse, domestic partner or dependent child's period of coverage will begin. For example, if your spouse's open enrollment is in June and the Plan Year is July 1 through June 30, you must notify the Employee Benefits Services Unit of this change on or before July 10.

Premium Conversion Plan (PCP) and Pre-tax Benefits Contributions

The PCP allows employees to authorize salary reductions to pay monthly medical, dental and vision plan premiums as well as commuter, Dependent Child Assistance Program (DCAP), Health Care Savings Account (HCSA), and Health Savings Account (HSA) plans on a pre-tax basis. This benefit does not defer taxes to a later date, it exempts your contributions from taxes altogether.

Healthcare Options

Summary of Benefits and Coverage (SBC)

In accordance with the 2010 Patient Protection and Affordable Care Act, health insurance companies and group health plans are required to provide you with an annual summary about a health plan's benefits and coverage. All insurance companies and group health plans must use the same standard SBC form to help you compare health plans. The SBC form also includes details called "coverage examples" which are comparison tools that allow you to see what the plan would generally cover in two common medical situations.

The SBCs for Contra Costa County Medical Plans are available on the Employee Benefits Website. You should review the SBC documents before electing your medical coverage for Plan Year 2027.

Healthcare Plans

You may choose from a variety of healthcare plans and coverage levels based on your individual needs. A comparison of the healthcare plans is included in the Guide. The healthcare plan in which to enroll is a personal choice. Evaluating the plan alternatives is never easy. The following questions are samples of questions you could consider in determining in which healthcare plan you should elect to participate:

- Which healthcare plan network includes the physician(s) that provide medical services to you and your family members?
- Which healthcare plan network includes the hospital and urgent care centers where your physician(s) have privileges?
- Is the cost or premium deduction amount affordable?
- How often do you expect to use services that include a co-payment? How much do you anticipate paying in co-payments for the calendar year?
- Are ancillary services such as on-line information, preventive care programs, on-line provider ratings or comparisons, and on-line provider searches, etc. important to you?
- Do you and all eligible family members reside within the network service area?
- Do you or your family members always use physicians that are not in any of the healthcare provider networks?

Differences Between The Healthcare Plans

- Health Maintenance Organization (HMO) plans (Contra Costa Health Plans, Kaiser Permanente, and Health Net) offer members a range of health benefits, including preventive care. The HMO will give you a list of doctors from which you select a primary care provider (PCP). Your PCP coordinates your care including referrals to specialists.
- High-Deductible Health Plan (HDHP) is a Kaiser Permanente HMO that combines lower premiums with a higher deductible. The Individual or Family deductible must be met before co-insurance and co-pays apply. All Preventive Services (Annual Wellness Physical, Well Child Visits, Immunizations, Preventive Screenings like Mammograms and Colonoscopies) are covered at 100% and are not subject to the deductible.
- Preferred Provider Organization (PPO) plans (Health Net) allow you to select a primary care provider and specialists without referral. You must use doctors in the PPO network or pay higher co-insurance (percentage of charges). In a PPO health plan, you must meet an annual deductible before some benefits apply. You are responsible for a certain co-insurance amount, and the health plan pays the balance up to the allowable amount. When you use a non-participating provider you are responsible for any charges above the amount allowed.
- Contra Costa Health Plan (CCHP) has 2 provider networks: Regional Medical Center (RMC) and Community Provider Network (CPN). The network of providers CCHP members can access depends on their specific plan. County Employee Plan A or Plan A2 members must choose providers from the RMC network. County Employee Plan B members can choose providers from the CPN or RMC network. If a specialty is not accessible within a network of the member's assigned PCP, CCHP and the assigned PCP may arrange for referrals, authorizations, and treatments necessary with a specialist that is available in a non-assigned network.

Prescription Drug/Pharmacy Benefit Information

CCHP: Contra Costa Health Plan's Preferred Drug List (PDL) includes a list of drugs that have been approved by the Pharmacy and Therapeutics Committee for members. The PDL is available online at www.contracostahealthplan.org. Outpatient drugs will be covered that meet patient needs when prescribed by a physician and obtained from a participating pharmacy. If a provider feels that a medication not on the PDL is clinically indicated for a specific patient, he or she always has recourse to the Prior Authorization process. CCHP also has mail order pharmacy service through Walgreens. This service can be accessed at www.walgreensmail.com.

Kaiser Permanente: Kaiser Permanente's formulary uses generic drugs when they are available to meet the patient needs. In addition, Kaiser Permanente will cover brand name drugs and non-formulary drugs when medically necessary. Kaiser Permanente's prescription drug formulary is available online at www.kp.org under the section entitled Health and Wellness tab, and then Drugs and Natural Medicines. Kaiser also has mail order pharmacy service.

Health Net: Participants may view or print the brochure Pharmacy Benefits Members Guide: Making the Most of Your Pharmacy Benefits, by logging to HealthNet.com and choose the following options: Selections, I'm a member, California, My Pharmacy Benefits, Individual, Family and Group Plans, and Find a Pharmacy.

Dental Plan Options

You may elect to participate in one of the two dental plan options and elect the coverage levels based on your individual and family needs.

Selecting a dental plan is a personal choice. The following questions are samples of questions you could consider in determining which dental care plan you should elect:

- Which dental plan network includes the dentist(s) that provide services to you and your family members?
- Is the cost or premium deduction amount affordable?
- How often do you expect to use services that include a co-payment or co-insurance amount that is your responsibility? How much do you anticipate paying in co-payments or co-insurance for the calendar year?
- Do you and all eligible family members reside within the network service area?
- Do you or your family members frequently use dentists that are not in any of the provider networks?

Differences Between Dental Plans

- The Delta Dental Plan Premier (PPO) offers the freedom to choose any licensed dentist; however, maximum out-of-pocket savings is available by choosing a Delta Dentist. Approximately 92% of California dentists are also Delta dentists whose fees are pre-negotiated to keep down costs.
- The DeltaCare USA (HMO) Plan includes a more select number of private and group dental offices. There are minimal out of pocket costs when using DeltaCare HMO. There is an orthodontic benefit included in the Plan. This plan is limited to CA residents.
- A comparison of the dental plans is included in the Guide.

Health Care Spending Account (HCSA)

The HCSA provides an opportunity for employees to authorize a salary reduction on a pre-tax basis to pay for eligible medical, dental and vision expenses that are not covered by the insurance plans. For Plan Year 2027, the maximum HCSA salary reduction amount is $3,400 per year. Again, this amount is not subject to Federal or State Withholding or FICA taxes. Eligible dependents are the same as for medical and dental, except, eligible dependents do not include domestic partners or dependents of domestic partners.

For employees who are hired after July 1, 2026, you may still enroll in the HCSA during this Open Enrolment Period, however, your eligibility will not start until you have completed your 6-month waiting period. Example: Your hire date was August 5, 2026, your 6 months waiting period ends February 5 with an eligibility date of March 1, 2027. If you enroll during Open Enrollment your HCSA will not start until March 1, 2027. No claims between January 1 and February 28, 2027 will be eligible and no deductions will come out until your March 10, 2027 payroll.

To be reimbursed through the HCSA, expenses must be for health care, dental care or vision care received primarily for the prevention or treatment of a physical or mental condition or illness. Out-of-pocket expenses are generally eligible if they are not reimbursed by insurance. Regardless of whether the expenses are incurred by you or your eligible dependents, they must be incurred during the Plan Year or during the period of coverage if you enroll after the Plan Year begins. An expense is incurred when you or one of your dependents receives the services, not when you are billed, charged for, or pay for the services.

To be eligible for reimbursement, a health care expense must be:

- For you, your spouse or qualifying dependent child(ren) as defined by the Internal Revenue Code
- Permitted under the Internal Revenue Code
- Medically necessary; and
- Not reimbursed by your health/dental/vision insurance or any other benefit plan, nor will you seek reimbursement from such plans.

An extensive list of expenses that can be deducted on Schedule A of Form 1040 appears in IRS Publication 502 (Medical and Dental Expenses), although Publication 502 should not be solely relied upon to determine your eligible expenses under the HCSA. For example, expenses such as insurance premiums are deductible on Schedule A, but are not eligible for reimbursement through the HCSA. In addition, the IRS allows you to deduct an expense if it is paid during the tax year, while the HCSA claims are reimbursed only if an expense is incurred during the Plan Year. Expenses reimbursed through your HCSA may not also be deducted on Schedule A.

Keep in mind:

- Some health care treatments or services, including those deemed cosmetic in nature, require proof of medical necessity from your health care provider with your initial reimbursement request and for each subsequent Plan Year that you participate.
- Not all drugs requiring a prescription are approved by the IRS as eligible for reimbursement. Prescription drugs that are solely for cosmetic purposes are not eligible for reimbursement.
- The effective date that expenses are incurred for eyeglasses, prosthetic devices and such is the day the item is available to be picked up, not the date ordered.
- Unused funds designated for the HCSA cannot be refunded to you. Please verify with your health care provider (prior to enrolling for the upcoming Plan Year) that you are a suitable candidate for any surgical procedure (i.e. laser eye surgery) before committing the money to your HCSA.
- Expenses incurred for weight loss programs may only be reimbursable if a physician prescribes the treatment as medically necessary to prevent, treat or alleviate a specific diagnosed medical illness such as hypertension, diabetes or obesity.

Dependent Care Assistance Program (DCAP)

The DCAP provides an opportunity for employees to authorize a salary reduction on a pre-tax basis to pay for eligible dependent care expenses. For Plan Year 2027, the maximum DCAP salary reduction amount is $7,500 per year ($3,750 if married, filing separately), and, is not subject to Federal or State Withholding or FICA taxes.

Under DCAP, the definition of qualifying person includes:

- A dependent child who is 12 years old or younger, for whom the employee is entitled to a deduction under Internal Revenue Code (IRC) Section 151(c);
- A dependent or spouse of an employee, regardless of age (including elder care), who is mentally or physically incapable of self-care; or
- A child of a divorced or separated employee who is 12 years old or younger, if the employee has custody of the child, even if the employee has released an exemption under IRC Section 152(e)(2).

Eligible expenses include charges for care of a qualifying person inside or outside your home. This includes feeding, administration of medicine, general supervision and nursery school. The main purpose must be the person's well-being and protection.

Expenses for care do not include amounts you pay for food, clothing and entertainment. However, if these amounts cannot be separated from the cost of caring for the qualifying person(s), you can include the total cost.

Federal tax laws specify that to qualify as an eligible expense:

- Out-of-home care must comply with all federal requirements if the facility provides care for more than six non-resident individuals. (State and some local laws require licensing where care is provided to fewer persons.) Out-of-home care for a qualifying person age 13 or older will qualify, provided that person is physically or mentally incapable of self-care and regularly spends at least eight hours each day in your household.
- Children's schooling may be included if your child is not in kindergarten or a higher grade.
- Registration fees for day care are included

You can include only the cost of care in determining your eligible expenses. The services must occur during the calendar year for which you are enrolled and on days you work. If you are married, they must also occur on days your spouse works (or if spouse is a full-time student, on days you work and your spouse attends school).

Eligible expenses for this Open Enrollment period begin January 1, 2027. If you become eligible to enroll at a later date, eligible expenses will begin on the first day of the month following your 30-day enrollment period after your online election has been received (including all appropriate documentation) and approved by the Employee Benefits Services Unit.

Expenses that are not eligible include:

- The cost of schooling for a child in kindergarten or above;
- Summer camp expenses when the child stays overnight;
- Payments to a person for whom you can claim a dependency exemption for federal income tax purposes;
- Payments to your non-dependent child (for eligible dependent care services) unless he or she will be age 19 or older by December 31, 2027;
- Expenses incurred before January 1, 2027 (or other effective date of enrollment);
- Food, clothing, diapers and entertainment separated from the cost of caring for a qualified person; and,
- Membership fees.

You must carefully estimate the amount of eligible childcare and/or dependent care expenses you expect to incur during 2027. Be sure to consider the possibility of declining expenses as your child gets older. Your salary reduction amount is fixed annually during this open enrollment period. The salary reduction you decide on should not exceed your estimate of dependent care expenses as federal tax regulations require forfeiture of any amount not used for expenses incurred within the calendar year.

Computer Vision Care (CVC) Program Information

Who is eligible?

The Management Resolution or your Memorandum of understanding (MOU) will advise if you are eligible for this benefit. If this benefit is included in your MOU, the benefit covers:

- Permanent full-time and part-time employees whose job requires use of a computer terminal for at least two (2) hours a day or more, as certified by their supervisor.

What are the benefits?

The benefits of the CVC plan include the following every 12 months:

- An annual CVC vision exam
- Single, bifocal or trifocal lenses
- Frames that are covered under the plan frame allowance
- Up to two total hours of County time to have your exam and to obtain your glasses

Who is the carrier?

Your benefits are provided through Vision Service Plan (VSP).

How do I make arrangement for the CVC exam Approval?

1. Access the Employee Self Service (ESS), go to Benefits – CVC Voucher Request

2. **Caution**: Do not make an appointment for vision services until you receive notification that your CVC was authorization. **Any services obtained before receiving your VSP authorization may result in you being fiscally liable for those services rendered by your provider. The CVC approval letter is valid only for 60 days.**

Upgrades

You may select frames or materials above the plan allowance, however, you will be responsible for paying the difference in the cost between the plan allowance and your upgrade.

For example, if you select any of the following, there will be an extra charge:

1. Blended lenses.
2. Oversize lenses.
3. Progressive multi focal lenses.
4. Edge treatments and anti-reflective coatings.
5. Solid and gradient plastic dyes.
6. A frame that costs more than the plan allowance
7. Cosmetic lenses
8. Optional cosmetic processes.
9. UV (ultraviolet) protected lenses.
10. Tinted lenses other than pink #1 or #2.

Limitations and Exclusions

Not Covered – There is no benefit for professional services or materials connected with:

Open Enrollment Procedures

Before completing enrollment forms, consider the following:

1) Review your personalized 2026 Benefit Statement.
   a) The statement reflects the plans in which you currently participate; and,
   b) Family members currently enrolled in your health care and dental plans; and,
   c) 2026 elections for Health Care Spending Account (HCSA) and Dependent Care Assistance Program (DCAP).
2) Confirm that all dependents listed satisfy and will continue to satisfy the definition of "eligible dependent" as defined earlier in this Guide.
3) Review the 2027 Employee Benefits Guide.
4) Decide whether you are going to continue the same health care and dental care plan as listed on your Benefits Statement.
   a) If you are not making a plan change nor are you adding or deleting a dependent, no further action is required from you.
   b) If you are changing a medical, dental or vision plan or are adding or deleting family members, access the Employee Self Service (ESS) and complete enrollment by 5:00 pm on **October 30, 2026**.
5) Complete the Health Care Spending Account Expense Worksheet to determine if you should consider participating in the HCSA. To enroll in the HCSA, access the employee self-service - ESS and complete Enrollment by 5:00 pm on **October 30, 2026**.
6) Complete the Dependent Care Assistance Program Worksheet to determine if you should consider participating in the DCAP. To enroll in the DCAP, access the employee self-service - ESS and complete Enrollment by 5:00 pm on **October 30, 2026**.
7) The 2027 monthly medical and dental premium rate sheet is available on the Employee Benefits website.

Supplemental Life Insurance

1) Supplemental Life Insurance amounts for you or your family members may be increased or decreased during Open Enrollment. Please note Evidence of Insurability (EOI) will be required for all increased Employees, Spousal and children's Supplemental Life amounts. To enroll in the Supplemental Life Insurance, access the Employee Self Service (ESS) and complete enrollment by 5:00 pm on **October 30, 2026**.
2) It's a good time to update your life insurance beneficiary information. Remember, you may designate beneficiaries for your Basic Life Insurance, Supplemental Life Insurance and Management Life Insurance. Please read the instructions, complete the form and return it to the Employee Benefits Services Unit.
3) Designation of Beneficiary can be located on the employee self-service - ESS.

457 Deferred Compensation Plan

457 Deferred Compensation changes are not limited to the Open Enrollment process, but should be review annually. If you were hired as a permanent full-time or permanent part-time employee on or after January 1, 2009 or the date as stated in your Memorandum of Understanding (MOU), please review our website regarding Deferred Compensation. You may be eligible for the Deferred Compensation Special Benefit (you defer $25.00 and the County contributes $150.00)

It is also a good time to review your **Deferred Compensation Account**. To review your account with our Empower Representative or to change your deferral amount, investment allocation or beneficiary for the Contra Costa County Deferred Compensation Plan, please contact Empower at 1-833-457-2626.

MEDICARE ELIGIBLE AND STILL WORKING

If you are an active employee approaching age 65 or have attained the age of 65, the following information is to help you understand Medicare and how it coordinates with the health care benefits provided by Contra Costa County.

Medicare Part A Insurance – Most people don't pay a premium for Part A because they or a spouse already paid for it through their payroll taxes while working. Medicare Part A (Hospital Insurance) helps cover inpatient care in hospitals, including critical access hospitals and skilled nursing facilities (Not custodial or long-term care). It also helps cover hospice care and some home health care. Medicare beneficiaries must meet certain conditions to get these benefits.

Medicare Part B Insurance – Most people pay a monthly premium for Part B. Medicare Part B (Medical Insurance) helps cover doctors' services and outpatient care. It also covers some other medical services that Part A doesn't cover, such as some of the services of physical and occupational therapists, and some home health care. Part B helps pay for these covered services and supplies when they are medically necessary.

It is not necessary for you or your spouse to enroll in Medicare Part B while you are an active employee and include your spouse on your medical plan with Contra Costa County. You may postpone your enrollment in Medicare Part B, without penalty, until the time you retire.

Once you retire, you and your Medicare eligible spouse must enroll in Medicare Part B in a very timely manner. Failure to enroll in the prescribed time will subject you to a penalty of 10% per year for each year you delay enrollment. This penalty continues the entire time you are enrolled in Medicare.

At the time of your retirement, contact Social Security who will provide you with a form for the County to complete to verify your group medical coverage through the County. Bring this form to the Employee Benefits Services Unit.

Medicare Part D or Prescription Drug Coverage – Most people will pay a monthly premium for this coverage. Starting January 1, 2006, Medicare prescription drug coverage became available to everyone with Medicare. Everyone with Medicare can get this coverage that may help lower prescription drug costs and help protect against higher costs in the future. Medicare Prescription Drug Coverage is insurance. Private companies provide the coverage. Medicare Beneficiaries get to choose the drug plan and pay a monthly premium. Like other insurance, if a Medicare beneficiary decides not to enroll in a drug plan when they are first eligible, they may pay a penalty if they choose to join later.

It is not necessary for you or your spouse to enroll in Medicare Part D Prescription Drug Coverage while you are an active employee and include your spouse on your medical plan with Contra Costa County. Additionally, at the present time, it is not necessary for you and your spouse to enroll in Medicare Part D Prescription Drug Coverage once you are retired and continue to participate in retiree medical plans. See the section entitled Notice of Creditable Coverage for additional information.

LEGISLATION

LEGISLATION

MICHELLE'S LAW

Michelle's Law requires group health plans to continue dependent health coverage during a dependent's medically necessary leave of absence from post-secondary education if that dependent would have otherwise lost coverage due to lack of student status.

You are required to notify Contra Costa County 30 days before the leave begins if the leave dates are known in advance, or, within 30 days after the start date of the unplanned medical leave of absence. You will need to provide a signed note from your dependent's physician that includes the following notification details:

1. the medical necessity
2. leave start date
3. expected end date
4. physician's name and address
5. physician's signature and date signed

MEDICARE, MEDICAID AND STATE CHILDREN'S HEALTH INSURANCE PROGRAM (CHIP) EXTENSION ACT (MMSEA)

The MMSEA imposes a reporting requirement on group health plans that cover Medicare-eligible individuals. The legislation requires the report of Medicare ID Numbers, if available, or if not available Social Security Numbers (SSN) for affected members.

SSNs are required for all dependents enrolled in a group health plan with Contra Costa County. Employees/Retirees/Survivors without this information on file will be contacted to update the required records.

The Health Plan Comparison Guides have been updated to reflect the required changes.

In addition, Contra Costa County provides an Employee Assistance Program that can help employees and their families with securing appropriate treatment for mental health and substance abuse conditions.

CONTINUATION COVERAGE RIGHTS UNDER COBRA

COBRA Continuation Coverage

COBRA continuation coverage is a continuation of Plan coverage when would otherwise end because of a life event known as a "qualifying event." Specific qualifying events are listed later in the notice. COBRA continuation coverage must be offered to each person who is a "qualified beneficiary." A qualified beneficiary is someone who will lose coverage under the Plan because of a qualifying event. Depending on the type of qualifying event, employees, spouses of employees, and de pendent children of employees may be qualified beneficiaries. Under the Plan, qualified beneficiaries who elect COBRA continuation coverage must pay for COBRA continuation coverage.

If you are an employee, you will become a qualified beneficiary if you lose your coverage under the Plan because either one of the following qualifying events happens:

(1) Your hours of employment are reduced, or
(2) Your employment ends for any reason other than your gross misconduct.

If you are the spouse of an employee, you will become a qualified beneficiary if you lose your coverage under the Plan because any of the following qualifying events happens:

(1) Your spouse dies;
(2) Your spouse's hours of employment are reduced;
(3) Your spouse's employment ends for any reason other than his or her gross misconduct;
(4) Your spouse becomes enrolled in Medicare (Part A, Part B, or both); or
(5) You become divorced or legally separated from your spouse.

Your dependent children will become qualified beneficiaries if they lose coverage under the Plan because any of the following qualifying events happens:

(1) The parent-employee dies;
(2) The parent-employee's hours of employment are reduced;
(3) The parent-employee's employment ends for any reason other than his or her gross misconduct;
(4) The parent-employee becomes enrolled in Medicare (Part A, Part B, or both);
(5) The parents become divorced or legally separated; or
(6) The child stops being eligible for coverage under the plan as a "dependent child."

Sometimes, filing a proceeding in bankruptcy under title 11 of the United States Code can be a qualifying event. If a proceeding in bankruptcy is filed, and that bankruptcy results in the loss of coverage of any retired employee covered under the Plan, the retired employee is a qualified beneficiary with respect to the bankruptcy. The retired employee's spouse, surviving spouse, and dependent children will also be qualified beneficiaries if bankruptcy results in the loss of their coverage under the Plan.

The plan will offer COBRA continuation to qualified beneficiaries only after the Plan Administrator has been notified that a qualifying event has occurred. When the qualifying event is the end of employment or reduction of hours of employment, death of the employee, or if the Plan provides retiree health coverage: commencement of a proceeding in a bankruptcy with respect to the employer, or enrollment of the employee in Medicare (Part A, Part B, or both), the employer must notify the Plan Administrator of the qualifying event.

For the other qualifying events (divorce or legal separation of the employee and spouse or a dependent child's losing eligibility for coverage as a dependent child), you must notify the Plan Administrator. The Plan requires you to notify the Plan Administrator within 30 days after the qualifying event occurs.

Other coverage options besides COBRA Continuation Coverage.

Instead of enrolling in COBRA continuation coverage, there may be more affordable coverage options for you and your family through the Health Insurance Marketplace, Medicaid, or other group health plan coverage options (such as a spouse's plan) through what is called a "special enrollment period." Some of these options may cost less than COBRA continuation coverage.

You should compare your other coverage options with COBRA continuation coverage and choose the coverage that is best for you. For example, If you move to other coverage, you may pay more out of pocket than you would under COBRA because the new coverage may impose a new deductible.

When you lose job-based health coverage, it's important that you choose carefully between COBRA continuation coverage and other coverage options, because once you've made your choice, it can be difficult or impossible to switch to another coverage option.

Duration of COBRA Coverage

18-month period Generally, when there has been a termination of employment or a reduction in hours that causes coverage to be lost, COBRA coverage for a Qualified Beneficiary begins the day after County-provided health plan coverage is lost or begins as of the first day of the next month and continues for up to 18 months.

36-month period. COBRA coverage for your covered spouse or dependent child is 36 months from the date plan coverage is lost due to any of the following events: Medicare eligibility of the employee; former employee dies; the employee and spouse are divorced or legally separated; or, for the dependent child only, the dependent child loses status as a dependent under the County's health plan. You, your spouse, or any dependent(s) must notify us, the Employee Benefits Services Unit, within 30 days in writing in case of divorce or the dependent child ceasing to be eligible.

29-month period for disabled qualified beneficiaries. If a Qualified Beneficiary (including you) is disabled, COBRA coverage for all Qualified Beneficiaries continues for up to 29 months from the date COBRA coverage would begin. A 29-month period applies under federal COBRA only if the following conditions are satisfied: (1) the Social Security Administration determines the Qualified Beneficiary is disabled at the time of the qualifying event or within 60 days of when COBRA coverage begins; and (2) the Qualified Beneficiary provides the County a copy of the determination within the initial 18-month coverage period and not later than 60 days after the determination is made. The premium for COBRA coverage increases after the 18th month of coverage to 150% of the applicable premium for the disabled Qualified Beneficiary, as well as other Qualified Beneficiaries, if they are in the same rate band.

Early Termination of COBRA Coverage

COBRA coverage can terminate before the period described above expires. COBRA coverage for a Qualified Beneficiary terminates on the earliest of: the month for which the premium for the Qualified Beneficiary's COBRA coverage is not timely paid; the date the County ceases to maintain any group health plan; after electing COBRA coverage, the date the Qualified Beneficiary becomes (a) entitled to Medicare or (b) covered by another group health plan that contains no exclusion or limitation for pre-existing conditions of the Qualified Beneficiary, or which exclusion or limitation does not apply due to the Health Insurance Portability and Accountability Act of 1996 (HIPAA). If a Qualified Beneficiary is entitled to 29 months of COBRA coverage on account of disability, but is later determined not to be disabled, coverage ends with the first month beginning more than 30 days after that determination. For further information, please contact the Contra Costa County plan administrator:

Second qualifying event extension of 18-month period of continuation coverage

If your family experiences another qualifying event while receiving COBRA continuation coverage, the spouse and dependent children in your family can get additional months of COBRA continuation coverage, up to a maximum of 36 months. This extension is available to the spouse and dependent children if the former employee dies, enrolls in Medicare (Part A, Part B, or both), or gets divorced or legally separated. The extension is also available to a dependent child when that child stops being eligible under the Plan as a dependent child. In all of these cases, you must make sure that the Plan Administrator is notified or the second qualifying event within 60 days of the second qualifying event.

If You Have Questions

If you have questions about your COBRA continuation coverage, you should contact Employee Benefits Service Unit at 925-655-2100 or you may contact the nearest Regional or District Office of the U.S Department of Labor's Employee Benefits Security Administration (EBSA). Addresses and phone number of Regional and District EBSA offices are available through EBSA's website at https://www.dol.gov/agencies/ebsa

NOTICE TO: Participants in Contra Costa County Employee/Retiree Health Plans (Non-CalPERS)

Important Notice from Contra Costa County About Your Prescription Drug Coverage and Medicare

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with Contra Costa County and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice. There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.

2. Contra Costa County has determined that the prescription drug coverage offered by the Contra Costa County Employee/Retiree health plan is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

When Can You Join A Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th to December 7th.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

NOTICE OF CREDITABLE COVERAGE FOR PLAN YEAR JANUARY 1, 2027 – DECEMBER 31, 2027

What Happens To Your Current Coverage If You Decide To Join A Medicare Drug Plan?
If you decide to join a Medicare drug plan, your current Contra Costa County coverage will be terminated.

If you do decide to join a Medicare drug plan and drop your current Contra Costa County coverage, be aware that you and your dependents will not be able to get this coverage back.

When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?
You should also know that if you drop or lose your current coverage with Contra Costa County and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

For More Information About This Notice or Your Current Prescription Drug Coverage…
Call Employee Benefits Service Unit at (925) 655-2100.

NOTE: You'll get this notice each year. You will also get it before the next period you can join a Medicare drug plan, and if this coverage through Contra Costa County changes. You also may request a copy of this notice at any time.

For More Information About This Notice or Your Current Prescription Drug Coverage…
More detailed information about Medicare plans that offer prescription drug coverage is in the "Medicare & You" handbook. You'll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans.

For more information about Medicare prescription drug coverage:

- Visit www.medicare.gov
- Call your State Health Insurance Assistance Program (see the inside back cover of your copy of the "Medicare & You" handbook for their telephone number) for personalized help
- Call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.

If you have limited income and resources, extra help paying for Medicare prescription drug coverage is available. For information about this extra help, visit Social Security on the web at www.socialsecurity.gov, or call them at 1-800-772-1213 (TTY 1-800-325-0778).

Remember: Keep this Creditable Coverage notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and, therefore, whether or not you are required to pay a higher premium (a penalty).

IRS REGULATIONS - DOMESTIC PARTNER BENEFITS

Contra Costa County complies with Internal Revenue Service regulation revisions and official guidance that affects imputation of income to certain employees in regard to health benefits. The County imputes income for state and federal income tax purposes for employees who receive County paid health benefits for domestic partners. This results in imputation of less income, and lowered FICA payments, for certain affected employees and in imputation of larger amounts of income, and increased FICA payments, for other affected employees.

Employees that have Domestic Partner coverage only will have income imputed based on the County's subsidy for the single rate.

Example: If the County's subsidy for single coverage for the plan is $509.92 the income imputed to the employee will be equal to the County's subsidy for the single rate, or $509.92. Employees that have family coverage that include either a Domestic Partner or a Domestic Partner and the Domestic Partner's child(ren) will have imputed income based on the value of the benefit received for the Domestic Partner and his or her child(ren).

Example: If the County's subsidy for family coverage for the plan is $1,214.90 per month and an employee has family coverage for his or her child plus a Domestic Partner, income will be imputed to the employee equal to the County subsidy for the single rate, or $509.92 per month, for the Domestic Partner's coverage. If an employee has family coverage for a Domestic Partner and a domestic partner's child, then the imputed income would be equal to the County's subsidy for two single rates or $1,019.81 per month. If an employee has family coverage for a Domestic partner and two or more of the domestic partner's children, the imputed income would be the full County subsidy for the family rate, or $1,214.90 per month.

If you have any questions regarding the imputation of income or other tax issues, please consult your tax advisor. If you have any questions regarding your domestic partner premium deductions, please contact the Human Resources Department Employee Benefits Services Unit at 925-655-2100.

IRS CODE 152

In limited circumstances, your domestic partner and the dependent children of your domestic partner may qualify as a "federal tax dependent" under Internal Revenue Code (IRC) Section 152 (as modified by section 105(b)) for health coverage purposes, provided certain qualifying conditions are met. Employer-provided health insurance coverage for a federal tax dependent is not subject to federal income tax and will not be included in your gross income. Additionally, such coverage can be provided on a pre-tax basis and eligible medical expense claims for that dependent can be reimbursed on a pre-tax basis through a health care flexible spending account.

To qualify as a federal tax dependent during a given tax year, a person must meet all of the following qualifications:

1. Is a dependent who shares your principal residence for the full tax year (January 1 through December 31), except for temporary absences such as vacation, military service or education; and
2. Is a dependent who receives more than half of their support from you; and,
3. is a dependent who is a citizen or resident of the United States or a country contiguous to the United States.

The rules are complicated and this provides only a brief summary of the requirements for qualifying as a federal tax dependent. You are encouraged to consult with an individual tax advisor to determine whether your domestic partner and/or children of your domestic partner satisfy these requirements.

You must complete a Declaration of Tax Dependent Status form each calendar year. You can find the form at www.cccounty.us.

Premium Assistance Under Medicaid and the Children's Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit **www.healthcare.gov**.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW or www.insurekidsnow.gov** to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at **www.askebsa.dol.gov** or call **1-866-444-EBSA (3272)**.

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of July 31, 2026. Contact your State for more information on eligibility –
